The Oxford Handbook of Historical Institutions (Susan Rose-Ackerman, 2011) explores the role of institutions in economic history, covering topics such as slavery, urbanization, and the evolving economic roles of women and African-Americans. The text will be of great value to those taking economic history courses as well as researchers in related fields.

Handbook of the Economics of Entrepreneurship: Volume Two (2015) attempts to examine the processes of technological change and the ways we commercialize and diffuse them. It covers topics such as technology policy, innovation, and intellectual property rights, and provides insights into how new firms and technologies are created and sustained.

The Palgrave Handbook of Development Economics (Volume Two, 2018) is a comprehensive resource for understanding the economic implications of globalisation. It covers topics such as the impact of globalisation on development, the role of institutions in shaping economic outcomes, and the challenges of sustainability in development policies.

The Oxford Handbook of Economic and Institutional Transparency (Jens Forssbaeck, 2014) is a critical examination of the role of transparency in economic and institutional processes. It discusses the importance of transparency in promoting good governance, reducing corruption, and enhancing accountability in various sectors.

The Palgrave Handbook of Comparative Political Institutions (Ruiz-Rufino, 2018) is a comprehensive resource for understanding the role of political institutions in shaping political behavior and outcomes. It covers topics such as the impact of political institutions on electoral outcomes, political violence, and economic development.

The Routledge Handbook of Comparative Political Institutions (Jennifer Gandhi, 2015) is a comprehensive resource for understanding the role of political institutions in shaping political behavior and outcomes. It covers topics such as the impact of political institutions on electoral outcomes, political violence, and economic development.
